

Setup Ronin 2

Plug in Receiver with DJI Adapter Cable

On Ronin 2, use the S.Bus cable combined with the DJI supplied, D.Bus to S.Bus adapter cable. Plug this into the D.Bus port on the right side of the screen on the R2.

Set Output to Ronin 2

On the wheels, select Ronin 2 from the Output menu.

Set up Ronin 2 Settings

On the Ronin 2, follow [these instructions](#). And you are done.
